Tom, let's assume I will not be on phone or response duty the remainder of the calendar year. I will send you the dates I am scheduled for duty and try to get. Aug 15 - response duty, Oct 10 - phone duty, Dec 19 - phone duty, Jan 2 - phone duty, Jan 30 - phone duty. Please let me know if you can cover any of the above dates for phone and/or response duty. Thanks.

In my newly minted role as Readiness Coordinator, Harry asked me to assist with staffing at the Fruitland Magnesium Fire response. It appears as though we have staffing issues largely resolved for this week and next. Depending on how long the response continues, we may need to staff additional positions through the end of July.

As such, will you send me an email, WITH A CC TO FE WEBER!, identifying your schedule from now through the end of July. We will plug the information into a spreadsheet in order to better evaluate personnel availability moving forward. If an all-expenses paid trip to So Cal is high on your list, please let me know that as well, as I am sure we can accommodate. Thanks.
